Read the following letter from the Collector of Salem, to the Acting Secretary to the Board of Revenue, dated 4th November 1865, No. 140 :—

1. With reference to the Board's Proceedings, No. 4,001, dated 14th July 1865, and the Government Order, No. 1,403, I have the honor to inform you that I have inspected the halting places (noted marginally) along the only line of march frequented by troops in this District.

Salem.
Mulloor.
Moonchavudy.
Namcul.
Valiaputty.

2. At Salem, close to the Railway station, there is an open plain, with water in the vicinity, suitable for the encampment of troops.

3. Near Mulloor; there is a good piece of ground, but scarcely large enough in extent for a full Regiment; but two and a half miles further on, near the village of Athanoor, there is abundance of room and every other requisites.

4. There is a large open plain a short way south of Moonchavudy fit for any number of troops, with several wells in the neighbourhood.

5. There is no unoccupied ground near Namcul, but close to the road there is a large open plain, with water about three miles to the north of it.

6. At Valiaputty, there is high ground above the Public Bungalow fit for an encampment, with abundance of water close by.

7. A few days notice would be required to make good approaches for carts to these encamping grounds.

Submitted to Government, with reference to their Order, dated 22nd June 1865, No. 1,403.
