*Proceedings of the Madras Government, Revenue Department,
27th February 1866.*

No. 515. Read the following Proceedings of the Board of Revenue, dated 17th February 1866, No. 1,114.

Read the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 6th February 1866, No. 41 :—

1. A sum of Rupees 29-0-6 was paid for two persons employed in administering Cholera medicine in July and August last, and the charge having been included in the Contingent Bill of this office for September last, it was apparently passed by the Board of Revenue.

2. On a requisition from the Accountant General, he was informed that the charge had been incurred under the spirit of the Board's Circular, dated 7th September 1818; but he does not apparently consider that order sufficient authority for passing the item, and has requested me to obtain Government sanction.

3. It has been usual to incur such charges under the discretion given to Collectors in the above Circular, and I trust the Board will see reason for obtaining the sanction called for.

4. I beg also to add that a similar charge of Rupees 30-3-1 was incurred in October; and as it is likely that objections may be taken to that item also, I take this opportunity of requesting sanction therefor.

1. Submitted for the sanction of Government.
2. The total charge is Rupees 59-3-7.

No. 516. ORDER THEREON, 27th February 1866, No. 524.
