*Proceedings of the Madras Government, Political Department,
19th January 1866.*

No. 42. Read the following letter from the Receiver of Carnatic Property, to the Chief Secretary to Government, Fort Saint George; dated Madras, 26th December 1865, No. 168.

I have the honor to acknowledge the receipt of the Proceedings of Government, under the dates and numbers noted in the margin, by which His Excellency in Council leaves it to me to act on my own judgment and responsibility, in regard to the course to be taken by me with reference to the villages therein referred to.

28th April 1865, No. 117, Political Department.
9th August 1865, No. 189, do.
4th September 1865, No. 219, do.

2. From the time I obtained the information referred to in my letter of the 21st March 1865, No. 28, I entertained no doubt that those villages formed part of the late Nabob's Estate, and that it was my duty to sell them. His Excellency in Council has since obtained the opinion of Mr. Advocate General, who has taken a similar view to that entertained by myself. Mr. Norton, however, suggested further inquiries being made by Government, and in deference to the suggestion made by that gentleman, in the 9th paragraph of his Opinion, I have stayed my hand till the result was known.

3. After careful consideration of the case, by the light of the late papers furnished to me, I adhere to the view originally formed by me. I therefore, do myself the honor of soliciting your attention to the paragraphs numbered 26 to 32 of my letter of the 21st March 1865, No. 28 as also to paragraphs 13, 14 and 15 of Mr. Norton's Opinion, and of requesting that Title Deeds may be issued to me in the manner recommended by Mr. Advocate General. There can be no doubt of the correctness of the view there taken by him, that the land will fetch a much better price if Title Deeds are issued, and it was for that reason I applied for them, as any diminution in the price would not benefit any body but the purchasers; whereas the Government would immediately be sufferers by any such diminution, and, should there be any surplus, the ultimate *cestui que* Trusts, the family of the late Nabob, under the provisions of Act No. 30 of 1858, would ultimately be so.

No. 43. ORDER THEREON, 19th January 1866, No. 17.

The Government resolve to direct that Title Deeds be issued for the villages in question.

2. The above letter will be communicated to the Revenue Department, where the necessary steps will be taken.
