*Proceedings of the Madras Government, Revenue Department,
2nd March 1866.*

No. 28. Read the following Proceedings of the Board of Revenue, dated 19th February 1866, No. 1,141.

Read again letter from the Collector of the Kistna District, dated 1st December 1865, in Board's Proceedings, dated 16th December 1865, No. 8,061.

Read also the following letter from the Acting Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Gudiwada Talook, 19th January 1866, No. 27:—

1. In reply to the Board's Proceedings, No. 8,061, dated 16th December last, I have the honor to inform you, that there is only one room in the Sub-Magistrate's Cutcherry at Gannaveram, in which both the records and the prisoners are secured together. Consequently, finding it necessary that one additional room should be constructed for the use of the records alone, Mr. Thornhill requested the Superintending Engineer to frame an estimate for the work in question, who accordingly sent the estimate (amounting to Rupees 209) which accompanied my letter, No. 253, dated 1st December last.

2. Under the circumstance above stated, I consider the construction of the additional room necessary, and therefore request the Board will be pleased to obtain sanction of the Government for the same.

Ordered that the foregoing letters be submitted for the orders of Government, with the Board's recommendation that, under the explanation afforded by the Acting Collector, sanction be granted to the estimate, amounting to Rupees 209, for the construction of an additional room to the Sub-Magistrate's Cutcherry at Gannaveram, in the Kistna District.
