No. 44. Read the following Proceedings of the Board of Revenue, dated 26th February 1866.

Read the following letter from the Acting Sub-Secretary to the Board of Revenue, to the Secretary to the Board of Revenue, dated Madras, 26th February 1866 :—

1. The Examiner of Claims has informed me, by direction of the Accountant General, that the sum of Rupees 335-7-8, being the amount of my salary from the 26th December 1865 to the 2nd January 1866, will be recovered from my next pay abstract, as the Government of India have declined to confirm the decision* of the Madras Government, allowing me to report my return to duty from privilege leave at the close of the Christmas holidays.

* G. O. 27th October 1865, No. 2,648, Revenue Department.

2. I request that the Board will be good enough to recommend to Government that this retrenchment may be withdrawn. Mr. Donald, I think, has mis-stated the Order of the Supreme Government. The decision of this Government, which

† Madras G. O. 15th February 1866, No. 73, Financial Department.

the Governor General in Council found himself unable† to confirm, was the *general* ruling "that Officers whose leave expires after the commencement of general holidays need not report their return to duty until offices are re-opened after the close of the holidays." There were objections, it was said, to making this a *regular* rule, implying that, occasionally, such a privilege might be permitted. I beg to submit that it was not the intention of the Governor General's order that I should be pecuniarily affected, and that the Accountant General is not warranted in holding me liable to a penalty for availing myself of the permission accorded by the Government of the Presidency in which I serve.

1. Submitted for the favorable consideration of Government.

2. The Board have no doubt that Mr. Master has rightly interpreted the Order of the Supreme Government. There seems no reason to assume that the intention was to set aside the decision of this Government in his individual case, or to bar such decisions in any future individual case, but merely to disallow a *general* rule which might be open to exception.

No. 45. ORDER THEREON, 3rd March 1866, No. 551.

Miscellaneous.

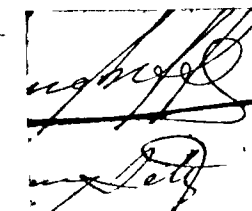

The Government concur with the Board of Revenue, and authorise the Examiner of Claims to pass Mr. C. G. Master's pay for the period in question as a special case.
