Read the following papers:—

No. 169. From the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 10th February 1866, No. 776.

I have the honor, in reference to the Order of Government of the 6th instant, to state, that had I not considered Mr. Dawson qualified for the charge of convicts in the Neddiwuttum Jail, I should not have recommended him—that Mr. Charles Dawson is, Mr. McIvor states, 25 years of age, and that I consider him qualified.

2. I think he will require Mr. McIvor's assistance in regard to supplies, &c.; as, stationed as he would be at Neddiwuttum, he could not make the arrangements conveniently.

3. As Mr. McIvor is the person most interested on behalf of the Government, I think the arrangement I proposed the proper one.

4. Captain Dreyer had been prevented from going out to see the Jail and locality; but my last note from him mentioned that he was going yesterday on receipt of his reply. I will submit full particulars of cost, &c.

No. 170. Proceedings of Government in the Revenue Department.
Approving of the appointment of Mr. C. Dawson to the charge of the Neddiwuttum Plantations at Ootacamund. } (Dated 20th February 1866.)

No. 171. ORDER THEREON, 21st February 1866, No. 249.

Lieutenant-Colonel Wilson having been appointed Inspector General of Jails, the Governor in Council directs that he will proceed to Ootacamund, with as little delay as possible, and arrange, in communication with Captain Dreyer, Mr. McIvor, and Dr. Miller, for the immediate transfer to the Jail at Neddiwuttum of such number of convicts as can be accommodated in it, should he find that the arrangement can be carried out at a comparatively moderate cost. It is observed that Mr. Dawson is considered by Mr. Rohde to be duly qualified for the superintendence of convicts. Lieutenant-Colonel Wilson will report the arrangements made, their cost, &c.
