OFFICIAL MEMORANDUM.

No. 28.

The Under Secretary to Government, Public, &c., Departments, is directed to request, with reference to Proceedings in Revenue Department (copy sent for easy reference, to be returned) No. 139, of 17th January 1866, that the Accountant General will state whether he does not anticipate savings sufficient under some other Budget head which will suffice to cover the amount of Rupees 9500 found necessary to supplement the Inam Commission grant. He is to instance "Education, Science, and Art" as a Head under which savings are very generally effected.

OFFICIAL MEMORANDUM.

No. 29.

Budget and Finance Department.

In reply to Memorandum of the 29th ultimo, No. 34, from the Under Secretary to Government, the Accountant General has the honor to state, with reference to the 2nd paragraph of his letter to Government, No. 273, dated 1st December last, that he is still of opinion that the entire expenditure of the current year will exceed the total of the Budget grants, and that the savings which may accrue under the head of "Education, Science, and Art" will be absorbed by excess expenditure under other heads.

2. It will be better, therefore, to incur the charge, leaving it to this office to make the necessary adjustment at the close of the year from any saving which may be then apparent.
