*Proceedings of the Madras Government, Revenue Department,
5th March 1866.*

No. 70. Read the following Proceedings of the Board of Revenue, dated 19th February 1866, No. 1,142.

Read the following papers:—

Proceedings of the Madras Government, dated 9th February 1866, No. 361, Revenue Department.

ABSTRACT.—Stating that certain alterations proposed by the Inám Commissioner cannot now be made as the Inám Budget is closed; and that the Board can probably accommodate the Commissioner's Establishment, which it will be desirable to move to Madras during the Easter vacation, &c.

Letter from the Officiating Inám Commissioner, to the Secretary to the Board of Revenue, dated Coimbatore, 12th February 1866, No. 8.

Adverting to paragraph 2 of the Order of Government, dated 9th instant, No. 361, just received, I have the honor to solicit the favor of your informing me, at your earliest convenience, whether the Board can accommodate my Establishment, when removed to Madras in April next. The space required may be judged by the strength of my Office, as it will stand, from the 1st of that month. Besides rooms for myself and two Assistants, one hundred and twenty servants in all will have to be accommodated. Additional space will also be required for the Registers and other Records of the Office.

The Board will be able to offer the Commissioner what they believe will suffice for the accommodation of his Office, as soon as the addition to the upper story of their Office is completed, which they trust will be within the time named for his transfer to Madras. The Superintending Engineer has been requested to expedite the work as much as possible.
