*Proceedings of the Madras Government, Revenue Department,
6th March 1866.*

No. 88. Read the following Proceedings of the Board of Revenue, dated 19th February 1866, No. 1,143.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 6th February 1866, No. 33 :—

1. With reference to the Order of Government, dated 27th June 1865, No. 1,441, Revenue Department, communicated in the Board's Proceedings of the 29th idem, I have the honor to report that Butler Madura, *alias* Emanuel, who has rented the Public Bungalow at Neddivuttum, being willing to take charge of the Native Chuttrum there, and thus to secure to himself the profit derivable from the Chuttrum shop for supplying travellers, the building was made over to him on the 28th July 1865, on condition that he is to utilize a small room in it for a shop, and to reserve the rest for the use and accommodation of travellers.

2. The Chuttrum at Pykara has been hitherto taken care of by the Establishment employed in the Public Bungalow there, as reported in paragraph 3 of my letter, dated 15th May 1865, No. 80, but as the latter building has been likewise made over to Butler Madura from the 1st January 1866, as directed in the Board's Proceedings of the 17th idem, No. 393, an arrangement, similar to that obtaining in the case of the Neddivuttum Chuttrum, can be effected, and I have accordingly issued the necessary orders to the Tahsildar on the subject.

3. As regards the Yellanhully Chuttrum, the Tahsildar reports that no one is willing to take charge of it on the above terms, as the probable profits to be derived from a shop are not likely to suffice for the maintenance of the person keeping it. It, therefore, becomes necessary to make provision that the building be properly taken care of, and kept clean; but, as Government will not allow any fresh expenditure on account of Chuttrum Establishment, I submit the following proposition for approval and sanction. On the lower road between Coonoor and Ootacamund there is an old Chuttrum at Aroogangad, the monthly allowance for which is nine Rupees, as particularized below :—

	RS.	A.	P.
Vide sanction of Government, dated 26th September 1850.	1 Pandaram, pay ...	4	0 0
	1 Sweeper, do. ...	3	0 0
	Saderwarid for light.	2	0 0
		9	0 0

4. Since the opening of the new road between Coonoor and Ootacamund *viz* Wellington, the lower road *via* Aroogangad is not so much frequented by travellers as it was, and the services of the Pandaram being less necessary than they were in the old Chuttrum at Aroogangad, they were temporarily transferred to the Chuttrum at Seegoor, where the want of a Pandaram was much felt, there being only one Sweeper on two Rupees attached to it. There still remains one Sweeper at the Aroogangad Chuttrum on three Rupees, with a Saderwarid allowance of two Rupees per mensem, making in all five Rupees. This sum I propose to appropriate for the pay of a Peon to be employed at the new Chuttrum at Yellanhully, where the services of one are much required, as, without some one to look after it, the building is likely to be injured. This Peon might also, occasionally, visit the old Chuttrum at Aroogangad, and have it cleaned. Under the circumstances I

request sanction to abolish the Establishment attached to the Chuttrum at Aroogangad, and to appropriate the saving to be thus effected for the following Establishment:—

	RS.	A.	P.
1. Pandaram for Seegoor Chuttrum, pay	4	0	0
1 Peon for Yellanhully new Chuttrum	5	0	0
	9	0	0

5. I take this opportunity of stating that, as reported in my letters of the 15th May 1865, No. 80, and 20th June 1865, No. 113, two Peons were employed at the new Chuttrum at Yellanhully and Neddivuttum at seven Rupees each from the 20th April and 1st May 1865, respectively. Their services were subsequently dispensed with, agreeably to the Government Order of 27th June 1865, No. 1,441, but they are entitled to pay for the period during which they were actually employed, amounting to Rupees 34-13-5, as shewn in the accompanying bill, and I request sanction for the payment of the same from the toll collections, as ordered in His Excellency the Governor's Minute, which accompanied the Government Order of 29th July 1864, No. 1,356, or from any other funds the Board may see fit to order.

ENCLOSURE No. 1.

ABSTRACT.—Abstract of pay of the Peons employed at the Yellanhully and Neddivuttum Chuttrums.

Submitted to Government, with the Board's recommendation that the proposed transfer of Establishment be sanctioned, and that the Collector be authorized to pay the amount due to the Peons temporarily employed at the Chuttrums, the petty charge being debited to any savings that the Accountant General may indicate.
