*Proceedings of the Madras Government, Revenue Department,
7th March 1866*

No. 122. Read the following Proceedings of the Board of Revenue, dated 22nd September 1865, No. 5,929.

Read the following Proceedings of the Madras Government, dated 6th September 1865, No. 2,117, Revenue Department.

ABSTRACT.—Requesting the opinion of the Advocate General on certain points connected with the Madras Town Abkarry Law.

The Board observe that as the Commissioner of Police and the Collector of Madras are both opposed to any alteration of the Abkarry Law, as now in force in the town, so long as the present Abkarry system is maintained, they are not prepared to advocate any change at present. The proposal originated in consequence of the supposed anomaly, that while country spirits could, on payment of import duty, be brought into the local market by sea, yet the same spirits could not be brought into the market by land. It now appears, that under the existing law, country spirits whether imported by sea or land cannot be sold in Madras, except to the Collector, and the Collector is of opinion that any law permitting the sale of such spirits would be detrimental to the Abkarry Revenue.
