*Proceedings of the Madras Government, Revenue Department,
8th March 1866.*

No. 142. Read the following Proceedings of the Board of Revenue, dated 2nd March 1866, No. 1,452.

Read the following letter from the Collector of Trichinopoly, to the Secretary to the Board of Revenue, dated 21st February 1866, No. 40:—

1. I have the honor to bring to the notice of the Board, that the period for which the temporary establishment for the acquisition of lands required for the Errode Extension of Great Southern of India Railway was sanctioned in the Proceedings of Government noted in the margin, expires on the 28th instant, and the accounts, for the preparation of

which it was chiefly asked, have been more than three-fourths completed. There are, however, four months' accounts yet to be made up, and about sixty thousand Rupees to be disbursed to a large number of Ryots. The Deputy Collector on special duty informs me that an Accountant of experience in this Department should be retained, who, with a few Writers detached from my office, would be able to complete the work in four months. He also states, that as no Surveyor is attached to this Collectorate, and as tracings are still being received from the Consulting Engineer for new pieces of land required by the Railway Company, a Surveyor and two Peons should also be entertained till the Company are granted all that they require.

2. As I agree with Raghunath Row in the necessity for still retaining this remnant of the late establishment, I have the honor to request that you will be pleased to obtain the necessary sanction for the same for a period of four months, from March to June 1866, at a cost of Rupees 188, as particularized in the accompanying Statement.

3. This sum can be met from the savings in the Budget of Department of Public Works. I can but ill spare the Writers on the Collector's establishment to be deputed to this somewhat foreign duty, but I am naturally unwilling to request more than is positively necessary in the way of a partial extension of the sanction about to expire.

ENCLOSURE No. 1.

ABSTRACT.—Estimate of charges proposed to be incurred on account of additional establishment in Fusly 1275.

Submitted for the sanction of Government in the Department of Public Works.
