*Proceedings of the Madras Government, Revenue Department,
9th January 1866.*

No. 118. Read the following letter from the Officiating Inam Commissioner, to the Secretary to Government, Revenue Department, Fort Saint George, dated Coimbatore, 12th December 1865, No. 60 :—

1. In submitting, for the orders of Government, the accompanying copy of a letter from the Collector of Malabar, I have the honor to recommend that the land therein referred to may be declared a valid Inam, in which case I shall issue a Title Deed accordingly.

2. Although the Inam tenure is so recent as 1851, and unauthorized by Government, I dare say the Government will not now consider it worth their while to disturb the tenure, the loss of revenue being but Rupees 4-5-2, and the object of Mr. Conolly in granting the indulgence being a public charity.

No. 119. ORDER THEREON, 9th January 1866, No. 61.

Land Revenue.

As the indulgence now solicited by the Inam Commissioner is opposed to the sanctioned rules of 1859 for the Inam Settlement, the Government direct that the Inam under consideration be treated as a recent grant (subject to half assessment) so long as the conditions attached to it are duly carried out.

1. The land noted in the margin is now enjoyed as Inam.
2. Remission of revenue on it was granted by Mr Conolly when Collector to the present Inamdar on the 27th December 1851. The revenue is Rs 4-5-2 per annum. The remission was granted for the support of the Temple and Matam standing on the land but no higher sanction than the Collector's appears.
3. The sum is entered as remission every year in the accounts. The land is consequently practically held entirely free.
4. Both the Temple and the Matam are still efficiently kept up, and I am of opinion that the land should be confirmed as Inam as long as the conditions on which it was originally granted are fulfilled.

I would therefore solicit a special order of Government confirming on the above terms.
