*Proceedings of the Madras Government, Revenue Department,
13th March 1866.*

No. 205. Read the following Proceedings of the Board of Revenue, dated 7th March 1866, No. 1,577.

Read the following letter from the Superintendent, Government Central Museum, to the Secretary to the Board of Revenue, dated Madras, 27th February 1866, No. 36:—

1. From further correspondence with Mr. Boswell, Principal Assistant to the Collector of Vizagapatam, I find it will be impossible to get anything like an exact account of the Fauna of his District, unless the greater part of the animals are sent here for examination.

2. I therefore purpose, should Government not object, to send one of my Taxidermists into the District, to be under the superintendence of Mr. Boswell, who will take steps to procure the specimens for him; these, as fast as a box is filled, can be sent to me for identification, which work will, in that way, be completed nearly as soon as the work of collection.

3. It will be necessary to make an addition to the pay of the man sent, and to provide certain materials for the preservation and stowage of the specimens. This would probably be met by about Rupees 200, if that sum can be at my disposal. The man's ordinary pay will be disbursed as usual established allowance.*

1. Submitted for the favorable consideration of Government.

2. If the Curator's suggestion is approved, it would be well to instruct the Superintendent of Marine to provide the man with a passage to Vizagapatam and back in one of the Coasting Steamers.

No. 206. ORDER THEREON, 13th March 1866, No. 628.

Miscellaneous.

1. Sanctioned.

2. The Superintendent of Marine will furnish the Taxidermist with a passage to and from Vizagapatam in one of the Coasting Steamers.
