*Proceedings of the Madras Government, Revenue Department,
5th May 1870.*

No. 52. Read the following Proceedings of the Board of Revenue, dated 30th March 1870 :—

Read the following Memorandum from the Examiner of Claims, Madras, to the Acting Secretary to the Board of Revenue, dated Fort Saint George, 5th March 1870, No. 244.

Has the honour to state that Annas two, over-deducted on account of Income-tax from the deputation allowance of Nos. 5 and 6, have been added to the Bill for acting allowances of the Board's Establishment for last month, and that Rupees 59-13-5, being deputation allowances, claimed on account of Nos. 7, 8, 11, 12, 17, and 24, have been disallowed therefrom, as Mr. Rozier and T. Moorogasa Moodelly cannot be allowed to act in higher situations, and to draw deputation allowance without further sanction of Government. This being the case, the Board may wish to make some other arrangement which will not be opposed to the Examination Rules.

(Signed) W. DONALD,
Examiner of Claims.

Owing to the temporary employment elsewhere of an Accountant in the Board's Establishment, it became necessary to make certain temporary arrangements for the conduct of business in the Account Department. For the persons who

were thus called upon to do extra duty, a Bill for deputation allowance was drawn. The Examiner of Claims, however, has objected to pass deputation allowance to persons noted in the margin, on the ground that Nos. 1 and 2 have not passed the Account Test.

2. On a similar occasion the Government were pleased to accord sanction to Nos. 1 and 2 drawing acting allowance, on condition of their passing the Test hereafter.

3. The Board were under the impression that the special sanction of Government was unnecessary for each like case of temporary arrangements made in the Account Department.

4. The Examiner of Claims, however, thinks that further sanction is necessary, and the Board therefore request that it may be granted, for the work of the Office must be carried on by experienced hands alone for such short intervals.

5. The Board would take this opportunity to repeat their recommendation contained in their Proceedings, dated 8th December 1869, No. 9,005, to exempt from the Test the Accountants named in the margin, who have spent the best part of their lives in account-work, and have given satisfaction; the exemp-

Memo for Order on No. 962.

The Accountants in the Board's Office are required to pass certain special tests. The Board requested that the Accountants whose names are given in the margin may be altogether exempted from the tests on the ground that "nearly all of them are of long standing," that "all of them have performed their duties satisfactorily" and "that their heavy daily work in the Account
