*Proceedings of the Madras Government, Revenue Department,
6th May 1870.*

No. 69. Read the following Proceedings of the Board of Revenue, dated 12th April 1870, No. 2,462:—

Read the following letter from the Acting Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated Vallum, 19th March 1870, No. 98.

I HAVE the honour to submit, for the sanction of Government, an estimate of Rupees 4,100, with plans, for extending road No. 79, from the limits of the Nannilam Talook, to join No. 14 at Nachiarcovil.

2. The estimated amount consists of Rupees 2,400 for earth-work, etc., and Rupees 1,700 for masonry works, of which Rupees 757 will be contributed from the Imperial Funds.

3. The work appears in the Road Fund Budget of 1870-71 as No. 96, with an allotment of Rupees 4,100.

4. It had been originally designed that this road from Puntollam should be carried along the south bank of the Arasalar up to Combaconum, but the Superintending Engineer now proposes a deviation at the limits of the Nannilam Talook, and, as the measure seems to combine a greater usefulness with less cost, I recommend it being sanctioned.

5. I enclose the Superintending Engineer's report on the estimate for the Board's information.

ENCLOSURE No. 1.

From the Superintending Engineer, 6th Division, to the Acting Collector of Tanjore, dated 17th March 1870, No. 1,439.

I HAVE the honour to forward an estimate of Rupees 4,100 for extending road No. 79 westwards from the Nannilam limits to join No. 14 at Nachiarcovil.

1 Survey.
1 Masonry plan.
1 Abstract estimate with Appendix.
Revenue Board's No. 1,144, dated 20th February 1869.

2. The portion of No. 79 in the Nannilam Talook is now under progress, under the sanction conveyed in Government Order No. 1,131, dated 7th April 1869.

3. In the original sketch map of roads, road No. 79 was shown as following the Arasalar south bank up to Combaconum; but it is deemed expedient to leave the Arasalar bank at the boundary of the Nannilam Talook, and to carry the road through part of Nachiarcovil and Tirupandurai; the latter, which is a large village, is completely cut off from communication with any line of road during the cultivating season.

4. The line selected is only 3 miles and 395 yards in length; were the Arasalar followed, the length of the line would be nearly double this; two large surplus streams, which would require 20 or 25-feet arches to span them, would have to be bridged, and nearly half the length of the road would run nearly parallel to No. 14 at a distance varying from one-sixth to one mile, and the cost of the line would be about Rupees 10,000.

Item No. 231.

5. Rupees 4,100 are allotted for this road in the Budget of 1870-71.

6. If the estimate is sanctioned at an early date, it may be possible to complete the work before the cultivating season, as the masonry works, though ten in number, are small.

*Proceedings of the Madras Government, Revenue Department,
6th May 1870.*

7. The cost of the masonry works will be Rupees 1,700, and of this sum, under Government Order, No. 1,378, dated 27th April 1869, Rupees 757 should be contributed from Imperial Funds.
8. Nachiarcovil is on the north and not on the south of the Tirumalrajen, as marked on the road-plan.

ENCLOSURES Nos. 2 and 3.—Plan and Survey.

ENCLOSURE No. 4.—Estimate.

SUBMITTED for the sanction of Government.

2. The cost of masonry works chargeable to Imperial Funds is Rupees 757.
3. The road is 3 miles and 395 yards long.

No. 70.

ORDER THEREON, 6th May 1870, No. 654.

Local Funds, No. 5.
Civil Works.

THE estimate for extending road No. 79 from the limits of Nannilam Talook to join No. 14 at Nachiarcovil (3 miles and 395 yards), amounting to Rupees 4,100, is sanctioned.

2. The cost of masonry works and bridges amounts to Rupees 1,700, and orders will be issued from the Public Works Department in regard to the payment of Rupees 757 of that sum from the Imperial Budget.
