*Proceedings of the Madras Government, Revenue Department,
9th January 1866.*

No. 127. Read the following Proceedings of the Board of Revenue, dated 20th December 1865, No. 8,220.

Read the following letter from the Accountant General to the Government of Madras, to the Secretary to the Board of Revenue, dated Fort Saint George, 9th December 1865, No. 3,700:—

1. I have the honor to forward herewith a copy of my Circular of this day's date addressed to Collectors, and to suggest that the Board, after revising the Estimates therein called for, may prepare from them a Consolidated Return, and submit it to Government for sanction and inclusion in the Civil Budget Estimates for the ensuing year.

2. To guard against the omission of any items, the Secretary to Government, in the Public Works Department, may be requested to furnish the Board with a Statement, to be compared with the above Return, of all the charges which, under the orders of the Government of India in the Public Works Department, No. 925A, dated 16th October 1865, and Financial Resolution, No. 2,787, dated the 31st idem, (copies annexed,) are to be excluded from the Public Works Budget now under preparation.

ENCLOSURE No. 1.—Circular.

1. Ordered to be communicated to the Secretary to Government, Department of Public Works, who will be good enough to favor the Board with a list of works, of the nature specified by the Government of India, to be executed by the Revenue Department. The Board presume, that out of the works proposed for the Salt Department for 1866-67, the execution of those which are of a petty character may more conveniently be undertaken by the Salt Deputy Collectors, and the Collectors will be desired to furnish the Board with a separate list of such works. The order does not seem to apply to any petty works of irrigation or road-making.

2. The Board believe that the provision for the charges should be made in the Budget under a separate head, "Petty construction and repair of buildings;" and the Accountant General will be requested to state after what head in the Treasury Account it should appear.
