Proceedings of the Madras Government, Revenue Department, 10th May 1870.

No. 119. Read the following letter from the Acting Secretary to the Board of Revenue, Madras, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated 21st April 1870 :—

I AM directed to request the orders of Government as to whether Stamp-duty should be collected under the Court Fees' Act on applications submitted to the Board by Telegraph, and if so, how?

2. By Section 6 no public officer can receive a document on which a fee is payable under the Act, unless such fee has been paid. Under Section 25 all fees must be collected by Stamps, and under Section 28 no document, which ought to be stamped, is of any validity, unless it is stamped.

3. The effect of these provisions of the law seems to be to deprive petitioners to the Board of the use of the Telegraph, and the Board think this very undesirable.

4. Several telegrams of the description referred to above have already been addressed to the Board.

No. 120. ORDER THEREON, 10th May 1870, No. 679.

Separate Revenue, No. 7.
Stamps.

THE Supreme Government will be addressed with a view to the elucidation of the point referred to by the Board.

2. In the meantime the Board should continue to receive telegrams as hitherto.

Acting Secretary to Government.
