*Proceedings of the Madras Government, Revenue Department,
22nd March 1866.*

No. 366. Read the following Proceedings of the Board of Revenue, dated 13th March 1866, No. 1,719.

Read the following letter from the Collector of Tanjore, to the Secretary to the Board of Revenue, dated Vellum, Tanjore Talook, 24th February 1866, No. 41:—

1. I have the honor to bring to the notice of the Board, that the Salt Superintendentship of Arasanagiri has become vacant, owing to the incumbent having been appointed to act for the Salt Superintendent of Negapatam, who has obtained leave of absence for six months, and is not likely to return to the service, and that there are now no persons in this District who have passed the prescribed test in the Salt Manual, &c., and are, therefore, eligible for the vacant post.

2. The Senior Assistant Superintendent of Negapatam, one Ragavaiyangar, has been recommended to me by the Salt Deputy Collector for the aforesaid appointment, and as he is a man of active habits, and has been upwards of seven years in the Salt Department, I beg to request the sanction of the Board for the Deputy Collector's recommendation: the condition being that Ragavaiyangar is to pass the required test at the next Special Test Examination, and to be only acting meanwhile.

3. If the Board should be pleased to accede to this recommendation, I have furthermore to request that they will obtain the special order of Government to Ragavaiyangar's being allowed to pass the test in Tamil, as he is totally unacquainted with English.

4. I would not have troubled the Board with this application, if there had been any eligible men in the District who had passed the required test, but there is really not a single person so qualified, and as Ragavaiyangar understands his duties well, I have ventured to bring his case forward as a special one.

Recommended for the sanction of Government.
