Proceedings of the Madras Government, Revenue Department,
23rd March 1866.

No. 388. Read the following Proceedings of the Board of Revenue, dated 14th March 1866.

Read the following letter from the Collector of Madura, to the Secretary to the Board of Revenue, dated Madura, 8th March 1866, No. 88 :—

1. I observe from the Public Works Budget of 1866-67, received with the Board's Proceedings, dated the 17th ultimo, No. 1,115, that *Rupees* 1,000 only is allotted for repairs of Salt works, and no provision is made for new works. I beg to request the early attention of the Board to the above, and to suggest the advisability of procuring the necessary allotment of funds with reference to the list of works submitted by me with my letter No. 288, dated 24th October 1865.

2. The number of stations sanctioned to be retained are very few, and unless early steps are taken to improve the Salt works, the Government revenue will suffer. The Board are aware that the necessary funds were not provided during the past years, consequently several emergent works were not executed.

---

1. Ordered to be submitted for the consideration of Government in the Revenue Department, with reference to the concluding sentence of paragraph 3, Government Order dated 3rd March 1866, No. 723, Public Works Department.

2. The needs of the Madura District appear to be pressing.
