No. 485. Read the following Endorsement of the Superintending Engineer, 4th Division, dated Camp Bellar, Wandiwash Talook, 28th February 1866, No. 4,396 :—

Proceedings of the Board of Revenue, dated 17th February 1866, No. 1,111.

Read the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Gudiattam, 7th February 1866, No. 28.

1. I have the honor to submit, for the approval of the Board, an estimate for Rupees 4,100, forwarded to me by the Superintending Engineer of the 4th Division, for the formation of a local road, 4⅔ miles in length, from Mahendravadi to the Sholinghur Railway at Bonaveram.

2. I know well the tract of country which the proposed road will traverse, and as an outlet will thus be given to the agricultural produce of many highly fertile tracts, and the road may hereafter be advantageously extended, I am able to give the project my fullest approval. I beg accordingly to request, that the Board will, if they approve of the estimate, be pleased to forward it with the survey and other papers relating to the project, to Colonel Boileau, in view to his submitting them for the consideration and sanction of Government.

Enclosure No. 1.—Letter from Supervisor in charge of Wallajah Range.

Enclosures Nos. 2 & 3.—Estimate and Survey.

1. The Board fully approve the proposed work.

2. The papers will be forwarded to the Superintending Engineer for submission to Government, as requested.
