Proceedings of the Madras Government, Revenue Department, 28th March 1866.

No. 487. Read the following Proceedings of the Board of Revenue, dated 13th March 1866, No. 1,704.

Read the following letter from the Collector of Trichinopoly, to the Secretary to the Board of Revenue, dated 23rd February 1866, No. 42:—

1. The Sheristadarship of the Musery Talook is now vacant, owing to the late incumbent having applied for pension. Mr. McDonell had contemplated nominating thereto Mr. Puckle's Head Gumashta, Narrain Row. I need not dilate upon the advantages of this arrangement both to that Talook and indeed to the District at large. Narrain Row has been many years in the Settlement Office, has worked up from the lower grades, and is perfectly conversant with all the details, both of his own, and those of the Survey Department. From time to time complaints, or as they are locally termed "Tagarahs," will arise regarding the new system, and it will be a great point to have a Sheristadar at hand, fully qualified to dispose of them in a sound and satisfactory manner. Narrain Row is a first rate Accountant and a sensible man; but has not passed.

2. I have the honor to trust that the Board may be prepared to recommend his exemption from examination, upon the following grounds:—

The Native servants under the Deputy Directors were in a peculiar position; they had neither time nor opportunity for study; they were constantly on the move, doing good service, and earning valuable experience at the sacrifice of all comfort, and frequently of health: it would, therefore, now indeed be hard to withhold from them their justly earned promotion, because they have not passed examinations which could be easily managed by the comparatively lightly worked employés in stationery appointments, but which the settlement servants were totally unable to prepare for.

P. S.—I may add that Mr. Puckle is willing to spare Narrain Row from his present post.

Submitted for the sanction of Government, on the understanding that Narrain Row must pass the Magisterial Test within a year after his appointment.

No. 488. ORDER THEREON, 28th March 1866, No. 766.
