Proceedings of the Madras Government, Revenue Department, 30th March 1866.

No. 496. Read the following Proceedings of the Board of Revenue, dated 24th March 1866, No. 2,085.

Read the following letter from the Collector of South Canara, to the Secretary to the Board of Revenue, dated Mangalore, 8th March 1866, No. 43 :—

1. I have the honor to request that you will inform the Board that the repairs to the Salt Kotars at Panemangalore have been obliged to be discontinued, owing to the want of funds at the disposal of the Department of Public Works, and that these Kotars are in so dilapidated a condition that their tumbling down any day could not be a matter for surprise.

2. There are still nearly 100 garce of salt in these Kotars, and with a view to getting rid of this in the event of the buildings falling in, and thus to avoid eventual loss to Government, the Deputy Collector has, since the 21st ultimo, stopped the sales at the adjoining depôt of Bantwal. I am, however, not of opinion that this measure will suffice, the more especially as at this time of the year the bandies which bring coffee to Mangalore invariably take in return loads of salt at that station.

3. The Kotars are, I can assure the Board, in such a state that a heavy fall of rain would, in all probability, bring them down, and thus entail the loss of all their contents. Under these circumstances, I would beg to recommend that, as a special case, I may be authorized to sell off the remaining stock of salt at Panemangalore at the wholesale prices, and *less* the charges for inland carriage as lately authorized.

Submitted for the sanction of Government as a special case.
