PROCEEDINGS OF THE BOARD OF REVENUE, dated 28th November 1865.

Read the following letter from W. M. CADELL, Esq., Collector of South Canara, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Mangalore, 20th October 1865, No. 167:—

1. Under the provisions of Clause 13 of the Rules for the management of District Road Fund, I have the honor to submit, for the sanction of Government, a plan and estimate for the construction of a timber bridge across the Coopetty Nullah on the road between Beltangady and Pootoor, amounting to Rupees 2,460.

2. A commencement was made, during the past year, with the grant of Rupees 750 in the supplemental estimate passed by the Board under date the 23rd December 1864, in anticipation of the sanction on the whole estimate now submitted, and a sum of Rupees 652 has been actually spent; and in the Budget sanction for the current year a further sum of Rupees 1,000 has been provided.

3. The work is considered to be of much importance to render the road, and which is already in use, fully practicable at all seasons, and the bridge, it is hoped, will be completed within the present year. To meet this object, the difference required, Rupees 808, or a round sum of Rupees 800, has been recommended in my letter of this date, No. —, to be transferred to this work from other allotments in the sanctioned Budget. I have, therefore, now to request that the Board will be pleased to procure for me the early sanction of Government for proceeding with the present estimate.

ENCLOSURES Nos. 1 and 2.—Estimate and Plan.

The Board observe that the estimate received with the foregoing letter has not been countersigned by the Superintending Engineer. It will, therefore, be returned to the Collector who will re-transmit it after obtaining the counter-signature of that officer.

(A true Copy and Extract.)

(Signed) R. A. DALYELL,
Acting Secretary.

To W. M. Cadell, Esq., Collector of South Canara,
with estimate and plan returned.
