*Proceedings of the Madras Government, Revenue Department,
6th April 1866.*

No. 57. Read the following Proceedings of the Board of Revenue, dated 24th March 1866, No. 2,089 :—

Read the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 12th March 1866, No. 88.

1. I have the honor to inform you that the present Bandy pettah at Telli-cherry is in the centre of the town, and has, from the increased cart traffic, become a nuisance to the inhabitants. At my request the Acting Sub-Collector accordingly fixed on a suitable spot for a new pettah on the road to Wynad and Coorg, and in the immediate outskirts of the town.

* Wet.

He chose a piece of paddy land,* the Jenmom or proprietary right of which vests in Government. But the person in possession at first claimed to be the Jenmi, and as I found it would be difficult to oust him save by regular suit, authority to take up the land under Act VI. of 1857 was applied for and obtained.

† Garden land.

2. The occupant subsequently offered to give up another† site, his own Jenmom property not far from the first. This second piece is in many respects superior to the first, in so far as it is larger in extent and only required levelling, which can be easily done with convict labor; whereas the first piece would have needed raising at an expense of about Rupees 1,000.

3. The Jenmi has executed a Jemmatharam or title deed, transferring the Jenmom of the second piece just said to Government, and had the same registered on the understanding that the Jenmom of the first piece claimed by Government should be formally given over to him. I therefore request sanction to the arrangement, and for the necessary alteration in the Revenue accounts. The extent, assessment, and Jenm value of the two pieces of land above referred to are given below for the Board's information :—

		Description of land.	Extent in Acres.	Estimated amount of Jenm value.	Amount of assessment.
Thiruvengad...	First piece ...	Wet.	1 9 2	1,100	2 15 0
Amshom...	Second piece...	Garden.	2 12 8½	1,010	17 0 0

Recommended for the sanction of Government.
