*Proceedings of the Madras Government, Revenue Department,
10th April 1866.*

No. 85. Read the following Proceedings of the Madras Government in the Military Department, dated 26th March 1866 :—

Read the following letter from the Controller of Military Accounts, to the Secretary to Government, Military Department, dated Fort Saint George, 22nd March 1866, E.

1. I have the honor to forward a letter from the Quarter Master General, dated 16th March 1866, No. 2,951, requesting sanction of Government to the payment of Rupees 19-8-0 per annum, as rent for the ground selected as a Cholera camp at Palamcottah.

2. Also for sinking a well on the ground at the estimated cost of Rupees 420.

3. There is one well in the neighbourhood, but it is thought to be a little too far to be the only source of supply.

4. The expenditure in sinking the well, however, would go to improve private property, which might be at any time reclaimed; and it appears to me that it would be preferable to allow an extra Puckally on Rs. 10-11-10, or two Bhiesties on Rs. 7 each, if necessary to the full supply of the camp on the rare occasions in which it is likely to be required.

5. The expenditure in connection with the land should be met from Grant 15.

From the Quarter Master General, to the Secretary to Government, Military Department, dated Fort Saint George, 16th March 1866, No. 2,591.

1. I have the honor, by desire of His Excellency the Commander-in Chief, to request the sanction of Government to the payment of Rupees 19-8-0 per annum, as rent for the ground selected as a Cholera camp at Palamcottah.

2. The ground is private property, has been approved of by the Civil, Military, and Medical authorities, and no other place equally suitable can be found.

3. Sanction is also requested for sinking a well on the ground at the estimated cost of Rs. 420. There is one well containing excellent water in the neighbourhood, but it is thought to be a little too far to be the only source of supply.

ORDER.—Referred with No. 1,367 of 1866 to the Revenue Department, in view to its being ascertained whether any arrangement can be made for Government being put in possession of the land in question by exchange of some other Government land.

Deputy Secretary to Government.
