*Proceedings of the Madras Government, Revenue Department,
10th April 1866.*

No. 89. Read the following Proceedings of the Board of Revenue, dated 26th March 1866, No. 2,119.

Read the following letters:—

From the Collector of Ganjam, to the Secretary to the Board of Revenue, dated Chetterpore, 8th March 1866, No. 191.

1. With reference to the concluding part of the Board's Proceedings of the 13th November last, No. 7,259, I have the honor to state that I have no means of exactly ascertaining what amount of the Inám Commissioner's work still remains to be done by myself and my subordinates in this District.

2. I have not as yet received the list or statement of Ináms which are to be resumed and assessed with full Zeroyati cist, nor the English registers. Original copies of a few volumes of vernacular registers have been received, but not the duplicates promised for distribution to the Zemindars and Talook officers, who are to collect the newly imposed quit-rent from the current Fusly. I am, therefore, obliged to have copies of these Vernacular registers prepared in my office, which of course takes up a good deal of the time of some of the Vernacular Clerks. Title Deeds of Ináms are also still due in several cases.

3. The Inám Commissioner continues to call upon me frequently for information connected with the Inám villages of the Kmedy Estate, the Title Deeds of which have not been as yet received.

P. S.—I may add in reference to this subject, that in addition to a case which has just come to light of a title granted on data not accepted in other cases by the Commission, the Chigetty Zemindar has written to me to say that he has discovered that this Patro procured the entry of several lands as Inám which are *bonâ fide* Zeroyati, or lands the unalienated property of the estate. I fear such instances are not rare.

From the Collector of Kurnool, to the Secretary to the Board of Revenue, dated 19th March 1866, No. 45.

1. With reference to the Acting Sub-Secretary's Official Memorandum, dated 3rd March 1866, No. 215, and the Board's Proceedings, dated 13th November 1865, No. 7,259, I have the honor to forward a Statement shewing the number of Inám cases in this District not finally settled.

2. During this year's Jummahbundy 486 cases have been struck off the file, and the Ináms incorporated with the Government lands on account of the failure of the parties to attend according to notice.

3. There remains 723 cases awaiting orders in the office of the Inám Commissioner, and 568 cases for which statements must still be prepared in the District.
