No. 131. Read the following letter from the Acting Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 3rd February 1866, No. 199-8 :—

1. I have the honor to submit a scale for the Demarcation Party to be employed in the Madras District, as directed in paragraph 1 of G. O. dated 17th January 1866, No. 137.

Budget estimate	Rs.	39,920 0 0
Expenditure for one year according to scale...	,,	50,223 8 0

2. It will be observed that the expenditure, according to the scale for one year, exceeds the amount estimated for in the Budget by Rupees 10,303-8-0.

3. I have to explain that for the first few months of the official year the party will not be at its full strength. It has been found more advisable to begin work with a small party, in order to ensure that every individual is carefully trained.

4. Government in Proceedings 23rd November 1865, No. 2,879, have authorized an increase to the pay of Peons in the Settlement Department, I have provided for increased pay in the scale. This is the only material deviation from the original scale sanctioned by the Government of India.

5. The minor alterations have been made after consultation with Mr. R. E. Master, the Director of Revenue Settlement.

See page 344 of the 1st Volume of Selections from the Records of Madras Government, No. 53.

6. The discretion to re-arrange the staff according to circumstances will enable me to make such changes in the distribution of salaries as further experience may shew to be necessary.

Proceedings of the Madras Government, dated 25th May 1859, No. 706.

7. In explanation of my not having submitted the scale before now, I have the honor to state that I was under the impression that a new scale was required to be sanctioned for the Ganjam District only, and that the Madras District might be taken up on the scale formerly sanctioned for the Settlement Department.

8. I have already collected several men as the nucleus of a Demarcation Party, and have started them at work in the Sydapett Talook under the orders of Lieutenant Cloeté. I shall in a few days take the field myself, and give my attention to the work.

9. The Order of Government authorizing the increase in the pay of Peons had not been communicated to me, I accordingly entered their pay in the scale for Ganjam at the former rates, 6 and 5 Rupees per mensem, I request that I be allowed to draw pay for them at the rates mentioned in the scale for Madras.
