No. 162. Read the following letter from the Conservator of Forests, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 5th April 1866, No. 1,720 :—

In forwarding a letter from Major Morgan, No. 557, dated 20th ultimo, I beg to state that Mr. Taylor, in addition to his general duties as Overseer of the Neilgherry Sholas, has superintended the removal of the wood felled by Mr. Money in the Deva Shola, distant about ten miles from Ootacamund. He could not keep an extra pony with his present emolument* of Rupees 65 per mensem : I therefore beg to recommend that a double horse allowance of Rupees 30, in lieu of travelling batta now drawn, be granted to him from 1st November last, and so long as he is actually employed in this manner. The extra expenditure can be met from the savings of the horse allowance of the Overseer in charge of the Australian Plantation.

From the Deputy Conservator of Forests, to the Conservator of Forests, dated Ootacamund, 20th March 1866, No. 557.

I have the honor to request you will apply to Government for sanction for double horse allowance to be drawn by Overseer Taylor, during the time he has had charge of the Deva Shola works ; the distance from the Shola to Ooty is eleven miles, and the Overseer has had to keep an extra pony since November last, when the work of removing the wood was begun ; he visits the Shola two and three times a week.
