Proceedings of the Madras Government, Revenue Department,
16th April 1866.

No. 191. Read the following Proceedings of the Board of Revenue, dated 5th April 1866, No. 2,273 :—

Read the following paper fron the Collector of South Canara, to the Secretary to the Board of Revenue, dated Camp at Uppinangadi, 22nd March 1866.

Season Report from 1*st to* 15*th March* 1866.

Rain.—There was a heavy shower at Putur, in the Uppinangadi Talook, on the 15th instant. No rain has, however, fallen in the other Talooks. The season is generally favorable.

State of the Crops.—The Suggi, or second rice crop, has been harvested in the Uppinangadi and Cundapur Talooks. The cultivation of the third rice crop has been completed in all the Talooks, but its growth has been to some extent affected by the absence of rain.

Prices—On the whole shew an upward tendency. In Mangalore, however, the price of table rice, cotton, and lamp-oil is reported to have somewhat decreased.

Public Health—On the whole good. Small-pox and fever are reported in some Talooks, and a few cases of Cholera still occur in the Cassergód and Uppinangadi Tolooks.

Health of Cattle.—No disease amongst cattle reported.

1. Submitted for the information of Government.
2. The fortnightly report may be discontinued from South Canara.

No. 192. Order thereon, 16th April 1866, No. 869.
Ordered to be recorded.
