*Proceedings of the Madras Government, Educational Department,
6th April 1866.*

No. 11. Read the following letter from the Director of Public Instruction, to the Chief Secretary to Government, Fort Saint George; dated Madras, 21st March 1866, No. 564.

Adverting to the Order of Government, in the Educational Department, dated 18th November last, No. 329, I have the honor to inquire whether it is intended that the Principal of the Civil Engineering College should examine candidates for certificates in surveying by the standard of the Civil Engineering College, or according to the standard of the Department to which the candidate may belong.

2. I beg, also, to be informed whether the examination in surveying is in all cases to be held at Madras, or whether it may be conducted by means of question papers sent to the place where the examinee may reside.

3. As the examination of candidates for certificates in surveying forms no part of his duty as Principal of the Civil Engineering College, I think it only reasonable that Captain Edgcome should be remunerated for his services, and I would recommend his being authorized to demand a fee of Rupees 20, in advance, from each candidate.

No. 12. ORDER THEREON, 6th April 1866, No. 95.

The Governor in Council is of opinion that the examination of candidates for certificates in Surveying should be conducted according to the standard of the Department to which the candidate may belong, or in which he may seek employment. The Principal is authorized to charge a fee of Rupees 15 to each candidate, not being a student in the Civil Engineering College, whom he may be required to examine.
