*Proceedings of the Madras Government, Revenue Department,
17th April 1866.*

No. 223. Read the following Proceedings of the Board of Revenue, dated 5th April 1866, No. 2,274 :—

Read the following paper from the Collector of Ganjam, to the Secretary to the Board of Revenue, dated 21st March 1866.

Season Report for the first fortnight of March 1866.

1. No rain fell during the past fortnight.
2. The want of water is most seriously felt throughout the District. Large pits have been dug in river and tank beds and other likely places, and the water thus procured is used by the people, and also given to their cattle.
3. Prices of all kinds of food are still very high, but grain of every description is still procurable in the bazaars of towns and large villages.
4. Relief houses have been opened at certain places, both in the Government and Zemindary Talooks, where cooked food is daily supplied to the poor.
5. Cholera, small-pox, and fever have been prevalent throughout the District. In the Kimeddy and Berhampore Talooks cattle have begun to suffer from disease.

Submitted for the information of Government.

No. 224. ORDER THEREON, 17th April 1866, No. 885.
