Proceedings of the Madras Government, Revenue Department,
18th April 1866.

No. 246. Read the following Proceedings of the Board of Revenue, dated 10th April 1866, No. 2,417 :—

Read again letter from the Acting Collector of the Kistna District, 4th December 1865, No. 258, recorded in Board's Proceedings, 18th December 1865, No. 8,098.

Read also the following letter from the Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Gudiwadah, 12th March 1866, No. 78.

1. With reference to the Board's Proceedings of the 18th December last, No. 8,098, I have the honor to report that the unenfranchised Inám land therein referred to, belonging to the deceased Yeleswarapu Venkamma, was not cultivated during the seven Fuslies noted in the margin. The only Fuslies in which it produced were 1270, 1272, and 1273. The average value of the Inámdar's share of the produce during that period is Rupees 9-2-4 a year, of which, Rupees 2-12-11 being deducted on account of the usual quit-rent paid to the Zemindar of the

Vullur Samut, there remains Rupees 6-5-5. One-third of this sum, or Rupees 2-1-10, being taken away on account of the usual allowance to the Zemindar in accordance with the terms of the Permanent Settlement, the remaining assessment on the Inám is Rupees 4-3-7.

2. The Zemindar of Vullur Samut, to whom this was communicated, has agreed to pay the said assessment yearly, and to take up the Inám land.

3. I therefore request the Board will be pleased to sanction the Inám being made over to the Zemindar, and to add the assessment to his Pesheush.

1. Ordered that the foregoing correspondence be submitted for the orders of Government.

2. The Board recommend that the Inám land, 5 acres and 95 cents. in extent, heretofore belonging to one Yeleswarapu Venkamma, and now resumed for want of heirs, be made over to the Vullur Zemindar, and that his Pesheush be increased by Rupees 4-3-7, the assessment calculated on the land on an average of three years' returns to the Inámdar, minus Rupees 2-1-10 on account of the usual allowance to the Zemindar in accordance with the terms of the Permanent Settlement of his estate. The Zemindar now pays a Pesheush of Rupees 20,621-15-2 ; if the above recommendation be carried out, his Pesheush will be raised to Rupees 20,626-2-9.

No. 247. ORDER THEREON, 18th April 1866, No. 897.

Miscellaneous.

The Board will ascertain whether the Inám bears any assessment in the village accounts, and what kind of land it comprises.

No. 8,098.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 18th December 1865.

Read the following letter from T. A. N. CHASE, Esq., Acting Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Masulipatam, 4th December 1865, No. 258:—

1. I have the honor to report, for the information of the Board, that Yeleswarapu Venkama, holder of an unenfranchised Inam land, consisting of Acres 5, Cawnies 95, situated in the village of Clinna Pulipaka appertaining to Vallur Samut, died without heirs. The Inam has, therefore, been resumed.

2. It was a Kattubadi Inam, and the Inamdar paid Rupees 2-12-11 to the Vallur Zamindar annually on that account. This Kattubadi was included in the assets of the estate, with reference to which, the Peshkush was originally fixed. I request that the Board will be pleased to obtain the sanction of Government for reducing the corresponding amount from the Peshkush as entered in the margin.

Present Peshkush of Vallur Samut.....	Rs. A. P.
Deduct the Kattubadi in question.....	20,621 15 2
Remainder.....	2 12 11
	20,619 2 3

The Board consider that the most equitable arrangement would be to make over the land to the Zemindar at a fair rate of assessment, with the usual allowance to the Zemindar in accordance with the terms of the Permanent Settlement of his estate, and to add the excess Government demand (if any) above the former quit-rent valuation to the Peshkush. The Acting Collector will report further on the case after the necessary inquiry and communication with the Zemindar.
