*Proceedings of the Madras Government, Revenue Department,
19th April 1866.*

No. 258. Read the following Proceedings of the Board of Revenue, dated 5th April 1866, No. 2,281.

Read the following letter from the Collector of Ganjam, to the Secretary to the Board of Revenue, dated Chetterpore, 16th March 1866, No. 239 :—

With reference to the Board's Proceedings of the 10th January last, No. 177, requesting report on the trials made, during the cultivating season, with the agri-

cultural implements forwarded to this District, I have the honor to state that these implements, as noted in the margin, were sent to the Manager of the

Aska Factory, and he now reports that both the plough and horse-hoe, being made of cast iron, snapped on trial, though the ground had been somewhat softened by the recent monsoon, and that the same thing happened to the scythe when put to use.

1. Submitted for the information of Government.
2. The Collector will report whether the implements can be repaired, and if so, will take steps to have this done, either on the spot or by returning them to the Board for repair at the Government Workshops.

No. 259. ORDER THEREON, 19th April 1866, No. 903.

Miscellaneous.

Ordered to be recorded.
