No. 8,194.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 20th December 1865.

Read the following letter from H. G. SMITH, Esq., Collector of Cuddapah, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 12th December 1865, No. 167 :—

1. In submitting the Annual Statement of Irrigation works required by the Board's Standing Circular, dated 15th March 1864, No. XXIII., (Board No. 1,590,) I have the honor to afford the explanation called for by the Board in Proceedings, dated 17th November 1865, No. 7,371.

2. In April 1864, the several Tahsildars were directed to send up, without fail, at the end of June of each year, Lists of Irrigation works requiring repair in their Taluks, to enable me to compile my Statement, for transmission to the Board, before the 15th November as directed; but none paid any attention to the orders. They, however, were reminded on the 31st October and on the 8th November 1865 respectively, with strict injunctions that the Returns should be sent in immediately. The Tahsildars, as per

margin, have sent them up to the date of my last letter, whereas others have sent them subsequently. I consider all the Tahsildars are in

fault by delaying the transmission of their Returns within the time allowed, and particularly those who have sent them up after the despatch of my letter to the Board, dated 10th November 1865, No. 156, deserve censure. I have requested the Sub-Collector to state his opinion as to the cause of delay in the transmission of the Returns from the four Tahsildars in his Division, on receipt of which I shall inflict such fine on each of the Tahsildars as I deem proper for their carelessness.
