*Proceedings of the Madras Government, Public Works Department,
13th April 1866.*

No. 232. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coonoor, 31st March 1866, No. 320 :—

1. I have the honor to report that there are no other repair allotments of the 7th Division available for transfer to the works alluded to in G. O. No. 890 of 19th March. The expenditure on Bungalow Repairs, although suspended very early in the official year, has amounted to the following sums, for which provision must be made, viz. :—

Coimbatore...	Rupees	500
Malabar ...	"	2,399
Canara...	"	890
Total Rupees		3,789

To meet which, in part, funds as below stated are available, which exhaust my resources, viz. :—

Coimbatore Civil Buildings ...	Rupees	1,121
Do. Miscellaneous Public Improvements...	"	411
Malabar do. ...	"	357
Do. Agricultural ...	"	20
Canara Civil Buildings ...	"	845
Do. Communications ...	"	220
Total Rupees ...		2,974

For allotment of which to the head of Bungalow Repairs I request that orders may be passed, also that the deficit may be made up.

2. I also avail myself of this opportunity to request sanction for the transfer of Rupees 800, from the head of Military Repairs of the Canara District, to the same head in Malabar.

No. 233. ORDER THEREON, 13th April 1866, No. 1,140.

ACCOUNT, No. 29.

1. Communicated to the Revenue Department, with reference to G. O. No. 890, dated 19th March 1866.

2. As the annual charges on account of Travellers' Bungalows from the Imperial Public Works grant have been restricted by the Government of India to Rupees 11,230, and the expenditure in the 7th Division has exceeded the proportionate assignment for that Division, the Controller of Public Works Accounts will be requested to report whether, judging from the charges incurred on the same

account in the other Divisions, the increased outlay in the 7th Division is likely to lead to the limit which has been fixed by the Government of India being exceeded.

	RS.	3.	Meanwhile the appropriations

Canara	890		informed that the Government have no

money at their disposal to allot for making up the deficiency of Rupees 815.
