Proceedings of the Madras Government, Revenue Department,
21st April 1866.

No. 328. Read the following Proceedings of the Board of Revenue, dated 27th March 1866, No. 2,173:—

Read the following letter from the Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Gudiwada, 13th March 1866, No. 81.

1. I have the honor to report that ten acres and fifty-eight cents of land forming part of the Agraharum called Chinna Avatapully, appertaining to Nuzid Zemindary in this District, was taken up for the Ellore channel in Fusly 1267 (A. D. 1857-58). Compensation for the loss of the produce of the past Fuslies has been already granted to the Agraharumdar, agreeably to the sanction of the Government, dated 22nd September 1862. At the same time orders were also issued to the Tahsildar of Gudiwada Talook to assign to the Inámdar, from the Government waste, land equivalent to the value of that destroyed by the Public Works.

2. As there were no available waste lands in the Government villages adjoining the Agraharum in question, the Agraharumdar was required to make arrangements with any Ryot in the said villages to give up from his holding an equivalent extent of land in lieu of the one occupied by the channel.

3. The Agraharumdar has hitherto continued silent on the subject, though repeated notices were issued to him. He has now come forward, having arranged with a Government Ryot in the village of Chinna Gonnur in Gudiwada Talook.

4. The Ryot in question has agreed to relinquish his holding No. 24, consisting of two acres and three cents of wet land. The dry assessment thereof, according to the settlement rates, is Rupees 4-1-0, which including the water cess at Rupees 4 per acre, makes the net assessment Rupees 12-3-0. This is equal to the assessment* of the land which was

occupied by the channel. The Agraharumdar will of course pay quit-rent on the whole extent of the Agraharum land, including the newly assigned portion.

5. Under these circumstances, I request the Board will be pleased to obtain the sanction of the Government for the transfer of the Government land to the head of the "Inám," and to deduct the same from the Ryot's ticket with the assessment thereof.

Submitted for the sanction of Government.
