*Proceedings of the Madras Government, Public Works Department,
17th April 1866.*

No. 337. Read the following letter from the Secretary to the Government of India, Public Works Department, (Account), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 26th March 1866, No. 334 A:—

1. I am directed to acknowledge receipt of your letter No. 687, dated 28th February 1866, forwarding revised Budget estimate for the purchase of land for Railways during 1866-67, which is in excess of the original Budget estimate for Rupees 7,000, and requesting that the sanction of the Government of India may be accorded to this extra amount in passing orders on the Railway Budget estimate for 1866-67.

• Public Works Department Resolution,
No. 191A, dated 17th February 1866.

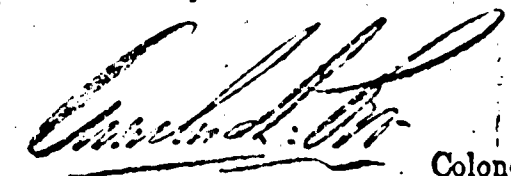

2. In reply I am to inform you that as orders* have already issued on that estimate, the Governor General in Council is unable to deal with the one now received. I am to request that the extra demand now brought forward may therefore be met from the total grant assigned to Madras for State outlay on Railways during 1866-67, and that if towards the end of the year it is ascertained that the original grant is insufficient, application for an addition thereto may be made to the Government of India.
