Proceedings of the Madras Government, Revenue Department,
23rd April 1866.

No. 345. Read the following Proceedings of the Board of Revenue, dated 3rd March 1866, No. 1,474:—

Read the following letter from the Collector of Cuddapah, to the Secretary to the Board of Revenue, dated Pedda Cheppally, 8th February 1866, No. 16.

With reference to the Proceedings of the Board of Revenue as per margin, I have the honor to state that bamboos are generally grown in jungles and foot of hills in this District, and not in Puttah lands of the Ryots. The collection of seigniorage on bamboos in this District is not very large, as will be seen by the marginal statement. In fact, they afford no greater shelter than other trees. The bamboos are hitherto used only in the District as building material, but not exported to other Districts, and I do not, therefore, see any necessity for recommending any tax being again imposed, as suggested by the Conservator of Forests.
