*Proceedings of the Madras Government, Revenue Department,
24th April 1866.*

No. 376. Read the following Proceedings of the Board of Revenue, dated 7th April 1866, No. 2,337.

Read the following letter from the Collector of Nellore, to the Secretary to the Board of Revenue, dated Viruru, 10th March 1866, No. 61:—

1. I have the honor to acknowledge the receipt of the Board's Memorandum of the 3rd instant, in respect to the Yeomiah Lists for 1864.
2. The Board's supply of these lists having been exhausted, in their Circular of the 23rd June last orders were issued to Collectors to prepare their own.
3. Press of business at the Press Office in this District brought the printing of the fresh lists so near to the current year, that the Deputy Collector noted the changes for 1865 as well as 1864 in the lists despatched on the 9th January last; and all the information that a separate list could give for 1864, being thus before the Board, none was prepared as stated in the accompanying copy of a letter from the Deputy Collector. Should a separate list be however requisite, it shall be submitted in due course.

From the Deputy Collector in charge of Treasury, Nellore, to the Collector of Nellore, dated 9th March 1866, No. 105.

1. I have the honor to acknowledge the receipt of your letter, No. 139, dated 7th instant, calling for explanation in regard to the delay in the submission of the list of Yeomiah allowances for 1864.
2. Printed lists of Yeomiahs furnished by the Board are corrected and sent to them at the end of each year: the list for 1864 was due early last year; but there were no printed lists available for correction, the supply received from the Board having been exhausted.
3. A Circular Memorandum, No. 466, dated 18th May 1865, was received from the Board, requesting to forward three copies of these lists, but no printed lists followed; and in their Miscellaneous Circular, No. LXX., dated 23rd June 1865, the Board observed, on a reference from the Acting Collector of Tinnevely, that if the original supply of these lists had been exhausted, Collectors should print them at their own presses.
4. Measures were then taken to have the lists corrected and printed here, but in consequence of the press having been fully occupied, the lists were not ready till November; and as another year was coming to a close, when a second set of lists became due for 1865, I took the opportunity of noting, in the list then under preparation, all the changes that occurred in 1865 also (of which there were many); thus bringing down the list of Yeomiahs of this District up to the 1st January 1866.
5. The lists, thus prepared, were despatched in triplicate to the Board on the 9th January 1866, and recorded in the accompanying Proceedings, dated 13th February 1866, No. 1,022.
6. The lists for 1864 were, therefore, simply not sent, as there were no printed lists available for correction.

Submitted for the information of Government, with reference to Government Order, dated 7th March 1866, No. 581.

No. 377. ORDER THEREON, 24th April 1866, No. 962.

Miscellaneous.
