*Proceedings of the Madras Government, Revenue Department,
24th April 1866.*

No. 385. Read the following Proceedings of the Board of Revenue, dated 16th April 1866, No. 2,627 :—

Read the following letter from the Collector of Ganjam, to the Secretary to the Board of Revenue, dated Chatterpore, 23rd March 1866, No. 319.

1. With reference to the Board's Proceedings, dated the 20th ultimo, No. 1,187, I have the honor to state that the Superintending Engineer has been requested to dispose of the old Gumsur Tahsildar's Cutcherry building at Nowgaum, and the late District Moonsiff's Court House at Palasah, by public auction; and he has, accordingly, arranged for their sale on the 31st instant; but the Zemindar of Turlah, to whom the site of the Court House at Palasah belongs, lays claim to the building itself, or that the annual cist of the site (15 Rupees), which he says he has been remitting to his Ryots, may be paid to him. I, therefore, request that the building may be ordered to be made over to him.

2. The Superintending Engineer has been this day requested to postpone the sale, pending your instructions.

Submitted for the sanction of Government. The value of the building is estimated at Rupees (800) eight hundred.

No. 386. ORDER THEREON, 24th April 1866, No. 966.

Miscellaneous.

The Government do not gather from the papers submitted whether the Collector and Board consider the Zemindar's claim to the building valid, whether the quit-rent named is fair, and whether if the building belongs to the Government and not to the Zemindar, there is any objection to its being sold, subject to the ground rent due to the Zemindar. The area of the "site" should be stated.
