No. 465. Read the following letter from the Acting Collector of Kurnool, to the Chief Secretary to Government, Fort Saint George, dated Kurnool, 10th October 1866, No. 49 :—

1. My predecessor addressed a letter to the Board of Revenue on the 7th ultimo, on the subject of granting a temporary addition of two Rupees monthly to the pay of all Government servants drawing Rupees 10 and under, monthly, in the Talook of Pattikonda, I have now the honor to solicit that the same amount may be granted throughout the District to all servants holding similar pay as above. The prices of grain are so exceedingly high, that it is next to impossible for people to live on their low salaries.

2. Cholum, which is the chief food, is now at the exorbitant price of 6 and 6½ measures (seven ollocks to the measure) the Rupee throughout the District, and rice is 4½ measures (same size) the Rupee. The scarcity of the season calls for some kind of relief on behalf of the low-paid servants, and I have therefore recommended the temporary relief above-mentioned for the favorable consideration of Government.

3. I have not forwarded the petitions presented to me on the subject, as they only contain, in substance, what I have here written.

No. 466. ORDER THEREON, 18th October 1866, No. 2,835.

Miscellaneous.

1. In the present improved prospects of the season, the Government do not see occasion to comply with the Collector's request.

2. The late Acting Collector specially restricted his application for relief to the Pattikonda Talook bordering on the Bellary District.
