Proceedings of the Madras Government, Revenue Department,
26th October 1866.

No. 594. Read the following Proceedings of the Board of Revenue, dated 8th October 1866, No. 7,212.

Read the following letter from the Collector of Salem, to the Secretary to the Board of Revenue, dated 19th September 1866, No. 175 :—

1. I have the honor to report on the work done by Assistants, Messrs. Stokes and Irvine, since their appointment to this District.

2. Mr. Stokes was appointed to this District in February last. He has been chiefly employed in Magisterial cases falling within his jurisdiction. In these cases his decisions have been very correct. He has also had charge of the District Press, and I have now put him in Revenue charge of a village. Mr. Stokes has also had access to all the office records, and has occasionally attended the Session Court. Mr. Irvine has been but a short time in this District. He was appointed in the beginning of June last, only two months previous to the last examination, for which he has been preparing himself. He has occasionally attended the Sessions, and has had charge of the District Tappal. I am now about to give him some Magisteria. work. He seems anxious to improve and fit himself for public business. Of Mr. Bliss and Mr. Gribble, I need say but little. The former has been Acting Head Assistant, and he has also been in charge of the Public Works in Darampuri Talookt He has proved himself an able and hardworking officer. Mr. Gribble has been bu- a short time here. He has had charge of the Public Works in the Womaloor Divil sion of Salem Talook, and has conducted his duties entirely to my satisfaction.

Submitted for the information of Government, in continuation of Board's Proceedings dated 21st September 1866, No. 6,764. The Board desire that the Collector will give full effect to their Circular Order of 8th March 1864.

No. 595. ORDER THEREON, 26th October 1866, No. 2,891.
