No. 642. Read the following letter from the Secretary to the Commissioner for the Uncovenanted Civil Service Examinations, to the Chief Secretary to Government, Fort Saint George, dated Madras, 13th October 1866, No. 488:—

1. I am directed by the Commissioner to forward, for the consideration and orders of Government, a letter from the Secretary to the Board of Examiners, dated 10th instant, No. 452, relative to the examination of Mr. Hewetson, Deputy Collector of Coimbatore, in the Vernacular, according to the second standard prescribed for Assistant Collectors.

2. With reference to paragraph 1, I am to remark that the Commissioner did not intend, when publishing the new Special Test Rules, to examine Deputy Collectors in the Vernacular *viva voce*. The passage alluded to by Mr. Dalyell was inserted in the rules merely for the convenience of candidates, in order that they might be able to see, at a glance, the whole of the subjects in which they were to be examined. That the Government looked at the matter in the same light is evident from the fact that, in a recent Order, they directed that the part of the examination of Uncovenanted Superintendents of Police, which is to be according to the second standard, should be conducted by the Board of Examiners.

G. O. 3rd April 1866, No. 1,375.

3. The G. O. alluded to by Mr. Dalyell was, as he says, of special application, but it has been acted on in other cases besides those to which it directly alludes.

G. O. 6th April 1859, No. 477.

4. The Commissioner considers it desirable that the examination should be conducted by the Board of Examiners, who know accurately what is really required under similar circumstances from Assistant Collectors, and he accordingly requests that the Board may be authorized to hold it in this and all similar cases.

No. 643. ORDER THEREON, 29th October 1866, No. 2,914.

Miscellaneous.

Concurring in the views of the Commissioner, the Governor in Council directs that the Board of Examiners will conduct the examination in the present, and in all similar cases.
