Proceedings of the Madras Government, Revenue Department, 30th October 1866.

No. 685. Read the following Proceedings of the Board of Revenue, dated 10th October 1866, No. 7,300.

Read the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Chittoor, 8th October 1866, No. 296 :—

I have the honor to report, that at about 6 P. M. of Saturday the 6th instant, two sharp shocks of earthquake were felt at this station. These shocks succeeded each other at an interval of from three to four minutes, the first being more distinctly felt than the second. A low muffled sound as of distant thunder under ground accompanied each shock. The movement appeared to be from west to east, and the vibration in some of the houses was such as to cause the glassware and other movables to rattle most audibly.
