No. 32. Read the following letter from the Collector of South Canara, to the Secretary to Government, Revenue Department, Fort Saint George, dated Mangalore, 20th October 1866, No. 47 :—

1. With reference to paragraph 3 of the Proceedings of Government, dated the 10th October 1866, No. 2,737, I have the honor to state, for the information of Government, that their Order of 25th July last, was not furnished to me, nor was the same applicable to this District; I was, however, aware of its existence, but did not think it necessary to take advantage of the instructions therein contained, as there was no immediate necessity in this District for any extensive Public Works being undertaken solely for the purpose of relieving distress among the people.

2. From my weekly telegrams the Government will have been informed of the state of the season in this District, and which has been peculiarly favorable; no special measures are, therefore, necessary for the relief of any supposed distress in the country.

3. Prices of food have of course been somewhat high for some time past, but they are now declining, and as regards the poorer classes, they have found ample employment in the ordinary Public Works.

No. 33. ORDER THEREON, 2nd November 1866, No. 2,967.
