Proceedings of the Madras Government, Revenue Department,
4th May 1867.

No. 66. Read the following letter from the Collector of Kurnool, to the Secretary to Government, Revenue Department, Fort Saint George, dated Kurnool, 27th April 1867, No. 28:—

1. In reply to your telegram dated 26th instant, I have the honour to inform you that to the best of my belief twenty-eight persons really died of fever from the 15th to the 21st instant, as reported in my season telegram.

2. Fever has abated in the town, and I hope will soon disappear; but the absent list in my Office shews too clearly its course is not yet run. The Mulky Tappal Gumastah died last week of fever; some Officers of the Regiment had it last week, and during the whole of the Easter vacation I was quite laid up with a severe attack of it.

No. 67. **Miscellaneous.**

ORDER THEREON, 4th May 1867, No. 1,013.

Communicated to the Inspector General, Medical Department, for his information.
