Proceedings of the Madras Government, Revenue Department, 20th May 1867.

No. 310. Read the following Proceedings of the Board of Revenue, dated 7th May 1867 :—

Proceedings of the Madras Government, Revenue Department, dated 3rd May 1867, No. 1,010.

The Board resolve to inquire whether it is the intention of Government that the cost of registering all grants shall fall upon the State, for they apprehend that this will be the result of the instructions in paragraph 2 of the Order.

No. 311. ORDER THEREON, 20th May 1867, No. 1,136.

Miscellaneous.

1. The Government contemplated the liability to incur this charge when the Order in question was passed.

2. The Board's attention is drawn to the G. O. dated 11th April 1865, No. 567, Judicial Department, communicated to them with Proceedings in this Department, dated 26th idem, deciding that as a rule all Assurances to which Government is a party should be registered; and also to paragraph 2 of the Acting Advocate General's opinion, dated 20th April 1867, in Government Proceedings, dated 3rd May 1867, No. 1,010, Revenue Department, pointing out that registration of Deeds of Sale of waste land may be essential for the protection of the Government interests under the Deed.

3. There seems no reason why the Government should hesitate to incur a charge similar to that which every private person must incur in a like case.
