No. 234. Read the following Proceedings of the Board of Revenue, dated 21st December 1866, No. 9,073.

Read the following letter from RAI RAYA RAI K. NARASINGA ROW, Pensioned Head Serishtadar to the Board of Revenue, to the Secretary to the Board of Revenue, dated Triplicane, 14th December 1866 :—

1. I respectfully beg to acknowledge the receipt of the Board's Proceedings, dated 7th December 1866, No.—, communicating to me the Order of Government, dated 1st idem, in which they accede to my request about the disposal of my second and third life-pensions. I can find no words expressive of the high gratification I feel on this occasion. I am now quite easy in mind, and feel contented with my present happy condition. I beg to offer my thanks to the Board for the kind support they were pleased to give to my request, and to the Government are due my grateful and heartfelt thanks for their ready compliance with it, and I hope they will accept them.

2. It affords me much pleasure to find, that though I have retired from public service, the Board and Government still entertain towards me the same kind regard which I had the good fortune of receiving at their hands during the period of my active service.

3. I will not be doing my duty if I do not avail myself of the present opportunity to acknowledge, that I am under a great many obligations to them for the several acts of favor I received at different periods. The present is one which I and my sons will ever remember, during the length of our lives, with feelings of respect and gratitude.

4. In conclusion, I beg to request that the sentiments I have now expressed may be communicated to Government.
