*Proceedings of the Madras Government, Revenue Department,
13th June 1867.*

No. 184.

Dated 13th June 1867, No. 1,327.

Miscellaneous.

1. In 1864-65 certain correspondence passed as to the great damage done to roads by the use of solid-wheeled and stone-wheeled bandies, and measures were instituted for obtaining an Act to prohibit their use on metalled roads, which, however, were eventually allowed to lie in abeyance.

2. A Road Cess has lately been imposed for the improvement of the District roads, and it is but fair to the payers that they should be protected from undue wear and tear, entailing unnecessary expense for maintenance.

3. The Government, therefore, resolve to desire the Collectors of Bellary, Cuddapah, Kurnool, North Arcot, and Salem, to report, through the Board of Revenue, whether at the present time they see reason to press for any special provisions on the above subject.

(True Extract.)

Secretary to Government.
