*Proceedings of the Madras Government, Revenue Department,  
14th June 1867.*

No. 209. Read the following Proceedings of the Board of Revenue, dated 4th June 1867, No. 3,409.

Read the following letter from the Acting Collector of Nellore, to the Secretary to the Board of Revenue, dated 8th May 1867, No. 135:—

1. As stated in paragraph 8 of Mr. Dykes's letter to the Board, No. 63, dated 4th March 1867, on account of the lateness of commencing the making of salt this year, no samples were forthcoming at the Exhibition held in February. It was, therefore, directed that a special Exhibition should be afterwards held for salt. Accordingly a special Show was held on the 7th instant, and I send, herewith, the report of the Committee convened to adjudge the prizes.

2. The Show was on the whole very satisfactory. The first prize was carried off by the most Northern Division, Kanuparti, whilst the second prize was awarded to the most Southern Division, Tada. The last prize was won by a Central Division. This shews an extended and general improvement throughout the district. Samples of the different salt that won the prizes will be forwarded by banghy.

3. I request the Board will obtain sanction of Government for the disbursement of Rupees 175 as rewards above, since this sum is in addition to Rs. 2,941-8-4, already sanctioned by Government for the expense incurred on account of the Nellore Agricultural Show held on the 21st and 22nd February 1867.

*Report of the Committee.*

The Acting Collector requested Lieutenant C. Gordon, C. J. Knox, Esq., Vemuganti Venkataram Puntulu, Attavanam Jagannadaravu Puntulu, Kanch Subbaravu Puntulu, and Kanchi Balajiravu Puntulu, to join the Committee and assist in awarding the prizes at a Salt Show specially held this day, i. e., 7th May 1867, at the Collector's Cutcherry at Nellore.

*Salt.*

The manufacture having been sufficiently long in hand to allow all a fair chance, there were twenty-nine entries against fourteen in the previous year. The first prize was awarded to Kukkala Chinna Reddy, of Kanuparti; the second to Kami Reddy Rami Reddy, of Tada; and the third to Karnam Pattabhi, of Kistnapatnam. The salt exhibited by Kandula Subbadu, of Gogulapalli, was also found good by the Committee, though it was somewhat inferior than those specimens to which the prizes were adjudged. The Committee are glad to observe a very great improvement in the quality of the salt exhibited this year.

1. At paragraph 8 of his Report to the Board upon the Agricultural Exhibition held at Nellore on the 21st and 22nd of February last, published in Proceedings of the Government, dated 10th ultimo, No. 148, Mr. Dykes states, "The heavy

"rains in December have been the cause of no salt being shewn. I will issue  
"orders for samples to be sent in as soon as the manufacture has been sufficiently  
"long in hand to allow all a fair chance, and the result will be made the subject of  
"a special report."

2. The salt was exhibited on the 7th instant, and the foregoing letter conveys  
a report on it, and requests sanction to the disbursement of the awards made by the  
judges, amounting to Rupees 175.

3. The Board resolve to submit Mr. Boswell's letter to Government, and  
request that the expenditure, Rupees 175, be sanctioned. The Board are glad to  
learn that the salt was an improvement on that shewn last year.
